

Let's save some trees!

Bathroom tissue

If all Canadians used a single roll of Cascades Enviro 100% recycled bathroom tissue instead of a roll made from virgin fibres, we could save 61,000 trees at once. Imagine the impact in one year!

Trees saved per double roll of bathroom tissue

0.00194854 tree

Multiplied by 31,612,897 (population of Canada according to the last census)

61,598 trees saved

Calculate the number of trees saved by the following people when using a double roll of Cascades Enviro 100% recycled bathroom tissue.
