

Christmas decorations made of CDs

Make pretty holiday decorations using old CDs.

What you'll need:

- . CDs
- . Glue
- . Used wrapping paper
- . Coloured ribbon

Process:

1. Cut out two circles in the wrapping paper, using a CD as a guide.
2. Ask a grownup to make a hole in the CD using a nail, through which you'll thread your ribbon.
3. Stick the wrapping paper on both sides of the CD.
4. Pierce the paper where the hole in the CD is.
5. Slide the ribbon through the hole.
6. Hang your decoration on the Christmas tree or on the wall.
